

## Schedule of Events

**Session 1—** The week of July 4<sup>th</sup> children will display their patriotic side by using lots of red, white and blue to decorate their classroom. They will take time to investigate the founding of our country on the computer and in books. We will host an all-American picnic during the week.

**Session 2—** This week is for all who enjoy great stories and the art of storytelling. Schoolagers will look into some of the world's most famous myths folktales and legends.

**Session 3—** There's been some foul play afoot and it's up to the Super Sleuths to set things straight!. This week, children will become daring detectives as they work together to construct a "crime" scene, produce maps that will lead investigators to the scene, decode clues, gather evidence and solve mysteries.

**Session 4—** Draw from your favorite comic book, movie, or any other media to become the hero of your choosing. Children will exhibit creative expression as they create costumes, design training courses, and create their own graphic novel featuring themselves as the hero!

**Session 5—** Schoolagers will enjoy a good old fashioned time playing games – board games, sport games, and versions of their favorite TV game show. There is something for everyone – being a participant, a contestant, a judge and even a host.
