

# Preschool Summer Adventures June 2014

## Schedule of Events

### Session 1— The Rainforest

Jump into the tropics! Recreate a rainforest environment— where more than half the world's animals live— as you explore the exotic creatures that call this special ecosystem home.

### Session 2—The Farm

Visit Old MacDonald! Trace food from farm to table and learn about the joys, animals, and sounds— oink, oink here; moo, moo there—of farm life.

### Session 3—The Ocean

Dive under the sea! Learn about star fish sea, urchins, and sea dragons— animals that don't even look like animals— and explore fishes through activities and art.

### Session 4— The Jungle

Roar into the Savannah! Explore animals of all kinds— scary, tame, enormous, and teeny. Learn about all the jungle species, from big cats and elephants , to creepy crawly insects.

|   | Mon                                       | Tue  | Wed                                 | Thu                                  | Fri  |
