

Let's Make Some Noise!

Join Us Fridays in May for Music Makers

For infants and toddlers, music promotes language development, creativity, social interactions, and confidence. On Fridays this May, your child is invited to sing, dance, and play while exploring the multiple dimensions of music. Children will have the opportunity to:

- Explore instruments like cymbals, drums, rain sticks, and more
- Develop cultural awareness by listening to music from different countries
- Cultivate sharing skills; passing instruments back and forth and taking turns
- Create music using instruments, voices, or other sound sources

We look forward to seeing you soon!
