

Summer Adventures

Preschool Program

| | Adventure Topic | Topic Description |
|--------|---------------------------|---|
| June | 12-16 Mighty Movements | Shake, rattle, and roll! This focus area is full of dancing, tumbling, and other activities that get campers to wiggle and giggle. From yoga to karate, campers will move and groove in a variety of ways, using creative expression and lots of group fun. |
| | 19-23 Transportation | Beep, beep, and here they come. Explore planes, trains, and automobiles by building models, making things go, and campers can imagine how to go far. |
| | 26-30 Our Neighborhood | Discover your backyard. Campers can create their very own neighborhood; "build" a library, post office, grocery store, and invite families to dine at their very own restaurant. |
| July | 3-7 Celebrations | Party time. What makes a celebration? Learn about festivals and celebrations around the world and have a great time creating your own. |
| | 10-14 Board Games | Campers will be exposed to many games of different styles. Through these games, campers will enhance social, language, and mathematical skills, while having fun. |
| | 17-21 Ooey-Goey | So much slime, so little time! There are sensory experiences galore exploring old favorites with a new twist. Be prepared to get gooey up to your elbows! |
| | 24-28 Once Upon a Time | Do you have a favorite fairy tale? These classics passed down through the ages get new life as campers retell, act out, and even add their own twists and turns to some of the most beloved fairytales. |
| August | 31-4 Drama/Dance | Unleash your inner performer. This is the place to learn dance moves from square dance to disco. Campers also get to explore their imaginations, writing plays, building sets, and then performing their own show. |
| | 7-11 Camping | Let's pitch a tent. Create an imaginative and fun play experience with tents, sleeping bags, flashlights, and making food right in your own backyard. |
| | 14-18 We are the World | Love, peace and happiness! Promoting peace and tolerance is important for making the world a better place. Campers will learn to create inner peace, as well as, how to encourage peace among others around them. |
| | 21-25 Go for Gold | Ready, set, go! Build on teamwork through games and physical events. Try new sports, master old ones, and demonstrate the payoffs of doing your best. |
| | 28-1 Construction | Campers will get hands on experience with a wide variety of materials. Build it large, build it small...functional or just beautiful – it's all good fun that teaches how things work together! |
