Potty Learning Camp

Register Today!

Bright Horizons
at One International Place
February 23-27, 2015
8:00 a.m. - 6:00 p.m.

Is your child staying dry for 3-4 hours, beginning to dress him or herself, and showing an interest in the potty? If so, your child may be ready for potty training, and Bright Horizons is here to help *you* and *your child* master this important early childhood milestone.

Bright Horizons Potty Learning Camp

During our weeklong program, children will be introduced to potty training using our developmentally appropriate, gentle approach. Activities are planned throughout the week to engage children in:

- Learning about healthy bodies
- Practicing self-help skills
- Gaining confidence and eliminating fears

Children will receive their own tools to practice at home, and parents will receive tips, ideas, and support from our experienced early childhood professionals. Together, we can help your child gain the skills needed for potty training success.

Please RSVP to 617-330-7401 or oneip@brighthorizons.com
We look forward to seeing you soon!

Potty Learning Camp will be part of our regularly offered back-up program. Attendance at Potty Learning Camp will count towards your allotted back-up days for the year. Your child must be fully registered before attending the center.
