

Infant & Toddler Water Exploration Day!

Wednesday, July 8th

Science Rocks

Color Laboratory

The children will mix primary colors and discover what secondary colors they have created.

Math Counts

Polka Dot Soup

The children will use measuring cups to pour water and count the floating polka dots.

Language Works

We will be reading “Under the Sea” & “The Rainbow Fish”
The children will also be exposed to ASL signs “Water, Fish, and Swim”

Art Smart

Sponge Painting

The children will experience textures using sponges and create masterpieces with liquid water colors.

Movement Matters

Water Dance

The children will develop their gross motor skills while dancing and wiggling like seaweed under the sea.

Make your reservations today!
