

# Child Care Designed with Working Parents in Mind

## Register Now. Avoid Worry Later.

Child care issues can come up when you least expect them. A sick caregiver, a school closing, or an unexpected business trip can add unneeded stress to your already hectic day. The Children's Place at Sixty State Street offers back-up care whenever you're in a pinch.

Register in advance so you're prepared when the need arises and contact our center to schedule a tour before your first visit.
