

Join us for Fins, Fur, and Feathers

Bright Horizons at Irvine Back-up invites your school-age child to join us for this week of summer fun.

July 29th-August 2nd

Have you ever thought of the many ways we interact with animals and how they help us? Children will explore this relationship and discover just how unique each creature is. Your child will find the wing span of an eagle, create snake skin prints, share favorite animal stories, and more. Let's get wild!

We hope to see you there!

Bright Horizons at Irvine back-up| 2010 Main Street Ste 120
