# MEET OUR DIRECTOR

---

## Kim Greening

Education: I graduated from Minnesota State University, Mankato, with a Bachelor of Science degree in Early Childhood Family Development and a Minor in Parent Education.

In Early Childhood Education Since: 1998

I love working with children because I can see their eyes light up and can tell their brains are working when they discover or learn something new. They notice the “little” things that sometimes adults overlook.

---

Our staff is made up of experienced educators who specialize in back-up care, and who are trained in health, safety, and security procedures.

- Developed by early education experts
- Research-based and meets children where they are developmentally
- A focus on 21st century skills for the changing and evolving world
- Reinforces concepts of math, science, language, social awareness, environment, art, and health
- Supports individual growth and development through hands-on exploration and discovery

# Infant Classroom

- Warm, safe, welcome environment
- Sensory-rich spaces and soft places to explore, roll over, pull up, and crawl

- Classrooms designed for infants

We look forward to seeing you and your child soon.

---

*“We love this program! Even during school vacation, with grandparents available for back-up care, my daughter asks to come to the center.”*

– Bright Horizons  
Back-Up Care Parent
