Welcome to the PNC Family Center at Eastwick

What to Expect

At the PNC Family Center at Eastwick, your child will be safe, well cared for, loved, and supported by our skilled teachers. Our carefully crafted back-up care program offers age-appropriate programs to encourage curious, happy, and confident children at every age and stage.

Our center has been welcoming families since 2002 for their back-up, school vacation, and summer care needs. Throughout the year, we offer virtual lunch-and-learns for families. We offer engaging programs for children from 6 weeks to 13 years of age.

If you would like a virtual tour prior to care, we would be more than happy to schedule one at your convenience; our center administrative team can be reached at 215-749-6660 or eastwick@brighthorizons.com.

Health & Safety

Bright Horizons is trusted by parents around the country to care for their children. We've implemented enhanced COVID-19 safety protocols to ensure that all of our health and safety practices in every center are informed by guidance from the CDC and state and local municipalities, and have the well-being of children, families, and staff at their core.

In response to the ongoing challenges of COVID-19, we are practicing the following enhanced protocols at our centers:

- ▶ Daily health checks required prior to care, which must include a temperature check of each household member to ensure that no one in the household has a fever. Anyone with symptoms, or known exposure, will be excluded.
- ▶ Only essential or authorized visitors permitted inside
- ▶ All staff in the center wear masks
- ▶ Adults, parents, and children 2+ strongly recommended to wear masks
- ▶ Frequent cleaning and disinfecting of high-touch surfaces, toys, and laundered items
- ▶ Enhanced COVID-19 exclusion policy restricting center access in the event of a suspected or known exposure
- ▶ All staff members strongly encouraged to be vaccinated or undergo weekly COVID-19 testing

What to Bring

Enrollment Forms & Health Records

Prior to care, we are required to obtain additional information about your family. Many of the forms are available on our Back-up Care portal: backup.brighthorizons.com/account/login, and will need to be submitted along with your child's health and immunization records.

Meals & Snacks

Children in our care are provided breakfast, lunch, and an afternoon snack consisting of a fruit, vegetable, protein or carbohydrate, and milk. Any lunch items brought in from home must be ready to serve and stored in a bag with ice packs, as needed. *Please note when packing your child's lunch that our center is nut-safe.* In our infant classroom there is a fridge available for bottles; all bottles are to be prepared at home and will be warmed using a bottle warmer.

Items from Home

- ▶ Spare clothing
- ▶ Diapers and wipes (*as needed*)
- ▶ Favorite blanket to ease the drop-off transition or for rest time (*as needed*)
- ▶ Ready-to-eat lunch and bottles (*as needed*)

Our Staff

Kim, Center Director & World Leader

I love working for Bright Horizons because it is an organization whose mission is to provide innovative solutions that help children, families, employees, and employers work together to be their very best. They are committed to providing the highest quality early care and education and work/life solutions in the world.

In education since: 1997

Briahna, Health & Safety Director

I love teaching because children are open to the possibilities of the future. They are creative, loving, and very opinionated, which challenges me to find an answer to every small question no matter how big or small.

In education since: 2016

Our Teaching Staff

Our teachers are the heart of our program — people with the skills, passion, and dedication to make early education their career. They are experienced and dedicated professionals who meet strict certification requirements. Through *Discovery Driven Learning*™, our teaching and learning framework, these talented educators focus on children's unique interests while supporting today's big milestones and tomorrow's success. We support our educators with our own award-winning training, as well as learning opportunities to further advance their careers and skills through training, certificates, and college degrees.
