Our center has been welcoming families since 1990 for their back-up, school vacation, and summer care needs. Throughout the year, we offer virtual family information sessions and workshops, themed program weeks, and many other events for children from 6 weeks to 12 years of age.

If you would like a virtual visit prior to care, we would be more than happy to schedule one at your convenience; our center administrative team can be reached at 617-742-4566 or state@brighthouse.com.

Health & Safety

Bright Horizons is trusted by parents around the country to care for their children. We've implemented enhanced COVID-19 safety protocols to ensure that all of our health and safety practices in every center are informed by guidance from the CDC and state and local municipalities, and have the well-being of children, families, and staff at their core.

In response to the ongoing challenges of COVID-19, we are practicing the following enhanced protocols at our centers:

- ▶ Daily temperature and health check conducted on arrival
- ▶ Only essential or authorized visitors permitted inside
- ▶ All staff, adults, and school-age children in the center wear masks
- ▶ Children 2+ strongly recommended to wear masks
- ▶ Frequent cleaning and disinfecting of high-touch surfaces, toys, and laundered items
- ▶ Enhanced COVID-19 exclusion policy restricting center access in the event of a suspected or known exposure
- ▶ All staff members strongly encouraged to be vaccinated or undergo weekly COVID-19 testing

What to Bring

Enrollment Forms & Health Records

Children in our care are offered a morning and afternoon snack consisting of a fruit, vegetable, protein or carbohydrate and milk brought in from home and supplemented as needed. Lunch items should be brought in from home ready-to-serve and stored in a bag with ice packs, as needed. *Please note when packing your child's lunch that our center is nut-safe; this includes nut items and food items produced in a factory with nuts present.* In our infant classroom there is a fridge available for bottles; all bottles are to be prepared at home and will be warmed using a water bath method.
