

Kid Zone at American Express

What to Expect

At Kid Zone, your child will be safe, well cared for, loved and supported by our skilled teachers. Our carefully crafted back-up care program is there for every step, with age appropriate programs to encourage curious, happy, and confident children at every age and stage.

Our center has been welcoming families since 2008 for their back-up, school vacation, and summer care needs. Throughout the year, we offer virtual family information sessions and workshops, themed program weeks, and many other events for children from 6 weeks to 12 years of age.

If you would like a virtual visit prior to care, we would be more than happy to schedule one at your convenience; our center administrative team can be reached at 954-503-5437 or amexfl@brighthorizons.com.

Health & Safety

Bright Horizons is trusted by parents around the country to care for their children. We've implemented enhanced COVID-19 safety protocols to ensure that all of our health and safety practices in every center are informed by guidance from the CDC and state and local municipalities, and have the well-being of children, families, and staff at their core.

Enhanced Operating Protocols

- ▶ Nonessential visitors are not permitted in the center
- ▶ Posted health notice restricting entry
- ▶ Drop-offs/pick-ups are restricted to the lobby or outside the center
- ▶ Reduced class sizes – determined with reference to applicable local guidance
- ▶ Consistent groupings in separate classrooms
- ▶ Outdoor time limited to one group at a time, with limited back-to-back use of the play area

Enhanced Health and Hygiene Protocols

- ▶ Daily temperature and health check conducted on arrival
- ▶ Social distancing is practiced as much as possible
- ▶ Bright Horizons staff wear face masks/coverings
- ▶ Frequent cleaning and disinfecting of high-touch surfaces, toys, and laundered items
- ▶ Enhanced COVID-19 exclusion policy restricting center access in the event of a suspected or known exposure

What to Bring

Enrollment Forms & Health Records

Prior to care, we are required to obtain additional information about your family. Many of the forms are available on our Back-up Care portal: backup.brighthorizons.com/account/login, and will need to be provided along with child's health and immunization records.

Meals & Snacks

Children in our care are provided a breakfast, lunch and afternoon snack. Meals and snacks consist of a fruit, vegetable, protein or carbohydrate and milk. In our infant classroom there is a fridge available for bottles; all bottles are to be prepared at home and will be warmed using a water bath method.

Please note, our center is a nut safe environment and we ask for you to not pack any nut items for your child.

Items From Home

- ▶ Spare clothing
- ▶ Diapers and wipes (*as needed*)
- ▶ Favorite toy, book, etc. to ease the transition or for rest time
- ▶ Packaged bottles and food (**Infant Room only*)

Center Location

The center is conveniently located at the regional hub for American Express in Sunrise, Florida.

The site can be accessed on the Southeast Corner of North West 136th Street and Sunrise Blvd. Colleagues of American Express can access the center adjacent the parking deck through and outside entrance.

Our Staff

Julia, Center Director

I love Bright Horizons because we strive each day to make a difference in the lives of the children and families in our centers.

In education since: 1993

Tyann, Health and Safety Director

I love Bright Horizons because Bright Horizons has a philosophy I agree with and I am encouraged to achieve my personal goals. I also love working with children and families.

In education since: 1995

Our Teaching Staff

Our teachers are the heart of our program — people with the skills, passion, and dedication to make early education their career. They are experienced and dedicated professionals who meet strict certification requirements. By focusing on children’s unique interests, these talented educators work alongside children to support today’s big milestones and tomorrow’s success. We support them with our own award-winning training, as well as learning opportunities to further advance their careers and skills through training, certificates, and college degrees.
