Our center has been welcoming families since 1991 for their back-up, school vacation, and summer care needs. Throughout the year, we offer virtual family information sessions and workshops, themed program weeks, and many other events for children ages 6 weeks to 13 years.

If you would like a virtual tour prior to care, we would be more than happy to schedule one at your convenience; our center administrative team can be reached at 202-638-5222 or metrosquare@brighthouse.com.

Health & Safety

Bright Horizons is trusted by parents around the country to care for their children. We've implemented enhanced COVID-19 safety protocols to ensure that all of our health and safety practices in every center are informed by guidance from the CDC and state and local municipalities, and have the well-being of children, families, and staff at their core.

In response to the ongoing challenges of COVID-19, we are practicing the following enhanced protocols at our centers:

- ▶ Daily health checks required prior to care, which must include a temperature check of each household member to ensure that no one in the household has a fever. Anyone with symptoms, or known exposure, will be excluded.
- ▶ Only essential or authorized visitors permitted inside
- ▶ Outdoor time with limited back-to-back use of the play area
- ▶ All staff, adults, and parents in the center wear masks
- ▶ Children 2+ strongly recommended to wear masks
- ▶ Frequent cleaning and disinfecting of high-touch surfaces, toys, and laundered items
- ▶ Enhanced COVID-19 exclusion policy restricting center access in the event of a suspected or known exposure
- ▶ All staff members required to be vaccinated

What to Bring

Enrollment Forms & Health Records

Prior to care, we are required to obtain additional information about your family. Many of the forms are available on our Back-up Care portal: backup.brighthorizons.com/account/login, and will need to be submitted along with your child's health and immunization records.

Meals & Snacks

Children in our care are provided a morning and afternoon snack consisting of a fruit, vegetable, protein or carbohydrate, and milk. Lunch items should be brought in from home, ready to serve, and stored in a bag with ice packs, as needed. *Please note when packing your child's lunch that our center is nut-safe.* In our infant classroom there is a fridge available for bottles; all bottles are to be prepared at home and will be warmed using a water bath method.

Items From Home

- ▶ Spare clothing
- ▶ Diapers and wipes (*as needed*)
- ▶ Crib-sized sheet and blanket for rest time
- ▶ Favorite toy, book, etc. to ease the drop-off transition or for rest time
- ▶ Ready-to-eat lunch and bottles (*as needed*)
