

Pfizer Kids NYC Back-up Center

What to Expect

At Pfizer Kids NYC Back-up Center, your child will be safe, well cared for, loved, and supported by our skilled teachers. Our carefully crafted back-up care program offers age-appropriate programs to encourage curious, happy, and confident children at every age and stage.

Our center has been welcoming families since 2005 for their back-up, school vacation, and summer care needs. Throughout the year, we offer virtual family information sessions and workshops, themed program weeks, and many other events for children ages 6 weeks to 12 years.

If you would like a virtual visit prior to care, we would be more than happy to schedule one at your convenience; our center administrative team can be reached at 212-733-5040 or pfizerkids.nyc@brighthouse.com.

Health & Safety

Bright Horizons is trusted by parents around the country to care for their children. We've implemented enhanced COVID-19 safety protocols to ensure that all of our health and safety practices in every center are informed by guidance from the CDC and state and local municipalities, and have the well-being of children, families, and staff at their core.

In response to the ongoing challenges of COVID-19, we are practicing the following enhanced protocols at our centers:

- ▶ Daily health checks required prior to care, which must include a temperature check of each household member to ensure that no one in the household has a fever. Anyone with symptoms, or known exposure, will be excluded.
- ▶ Only essential or authorized visitors permitted inside
- ▶ All staff, adults, and parents in the center wear masks
- ▶ Children 2+ required to wear masks
- ▶ Frequent cleaning and disinfecting of high-touch surfaces, toys, and laundered items
- ▶ Enhanced COVID-19 exclusion policy restricting center access in the event of a suspected or known exposure
- ▶ All staff members required to be vaccinated

What to Bring

Enrollment Forms & Health Records

Prior to care, we are required to obtain additional information about your family. Many of the forms are available on our Back-up Care portal: backup.brighthorizons.com/account/login, and will need to be submitted along with your child's health and immunization records.

Meals & Snacks

Children in our care are provided a morning and afternoon snack consisting of a fruit, vegetable, protein or carbohydrate, and milk. Lunch items should be brought in from home, ready to serve, and stored in a bag with ice packs, as needed. We also offer an optional lunch program - contact us for more details. *Please note when packing your child's lunch that our center is nut-safe.* In our infant classroom there is a fridge available for bottles; bottles can be prepared at home or onsite by parents and will be warmed using a water bath method.

Items From Home

- ▶ Spare clothing
- ▶ Diapers and wipes (*as needed*)
- ▶ Favorite toy, book, etc. to ease the drop-off transition or for rest time
- ▶ Ready-to-eat lunch and bottles (*as needed*)

Center Location

Pfizer Kids is located on 42nd St between 2nd and 3rd Ave. Crosstown bus M42 runs on 42nd St, downtown M15 runs along 2nd Ave and uptown M15 runs along 1st Ave. Metro North trains and 4,5,6,7, and S subway lines stop at Grand Central Terminal.

When you have arrived at Grand Central Terminal, exit closest to 42nd St and Lexington Ave. Walk east on 42nd St two blocks toward 2nd Ave. Pass CUNY Welcome Center and Pret A Manger. Enter doors closest to 2nd Ave on the north side of the street.

Our Staff

Jamie, Center Director

I love Bright Horizons because every day that I come to work, I have the chance to support families and be a part of children's moments of discovery.

In education since: 2011

Summer, Health & Safety Director

I love Bright Horizons because working here brings unique opportunities to engage with children as they learn and explore!

In education since: 2011

Our Teaching Staff

Our teachers are the heart of our program — people with the skills, passion, and dedication to make early education their career. They are experienced and dedicated professionals who meet strict certification requirements. Through *Discovery Driven Learning™*, our teaching and learning framework, these talented educators focus on children's unique interests while supporting today's big milestones and tomorrow's success. We support our educators with our own award-winning training, as well as learning opportunities to further advance their careers and skills through training, certificates, and college degrees.
