

Welcome to Bright Horizons at UTC

What to Expect

At Bright Horizons at UTC, your child will be safe, well cared for, loved, and supported by our skilled teachers. Our carefully crafted back-up care program offers age-appropriate programs to encourage curious, happy, and confident children at every age and stage.

Our center has been welcoming families since 2006 for their back-up, school vacation, and summer care needs. Throughout the year, we offer virtual family information sessions and workshops, themed program weeks, and many other events for children ages 2 months to 13 years.

If you would like a virtual tour prior to care, we would be more than happy to schedule one at your convenience; our center administrative team can be reached at 858-458-0042 or utc@brighthorizons.com.

Health & Safety

At Bright Horizons your child's health, safety, and wellness is our top priority. We continually monitor state and local public health guidelines, consult with our medical experts, and use our considerable experience to guide our practices. We're prepared to respond quickly and adjust those health and safety practices as needed, to ensure children, families, and teachers are protected.

Designed for the well-being of staff, children, and families

- ▶ A daily health check policy that strives to mitigate the spread of illnesses
- ▶ Frequent cleaning and disinfecting of high-touch surfaces, toys, and soft items
- ▶ Strict handwashing and sanitary policies to prevent the spread of illnesses
- ▶ Safety and security procedures designed to keep our families and staff protected
- ▶ Secure entrances to all centers
- ▶ Curriculum that emphasizes healthy practices for children

What to Bring

Enrollment Forms & Health Records

Prior to care, we are required to obtain additional information about your family. Many of the forms are available on our Back-up Care portal: backup.brighthorizons.com/account/login, and will need to be submitted along with your child's health and immunization records.

Meals & Snacks

Children in our care over the age of 1 years old are provided a morning and afternoon snack consisting of a fruit, vegetable, protein or carbohydrate. Lunch items should be brought in from home, ready to serve, and stored in a bag with ice packs or, if warm, packed in a thermos as needed. *Please note: when packing your child's lunch that our center is nut-safe.* In our infant classroom there is a fridge available for bottles; all bottles are to be prepared at home and will be warmed using a water bath method.

Items From Home

- ▶ Spare clothing
- ▶ Diapers and wipes (*as needed*)
- ▶ Blanket for rest time (the center provides sheets)
- ▶ Favorite stuffed animal or book to ease the drop-off transition or for rest time
- ▶ Ready-to-eat lunch and bottles (*as needed*)
