

Welcome to Bright Horizons at One International Place

What to Expect

At Bright Horizons at One International Place, your child will be safe, well cared for, loved, and supported by our skilled teachers. Our carefully crafted back-up care program offers age-appropriate programs to encourage curious, happy, and confident children at every age and stage.

[View our virtual tour!](#)

Our center has been welcoming families since 1990 for their back-up, school vacation, and summer care needs. Throughout the year, we offer virtual family information sessions and workshops, themed program weeks, and many other events for children ages 6 weeks to 13 years.

If you would like a tour prior to care, we would be more than happy to schedule one at your convenience; our center administrative team can be reached at 617-330-7401 or oneip@brighthorizons.com.

Health & Safety

At Bright Horizons your child's health, safety, and wellness is our top priority. We continually monitor state and local public health guidelines, consult with our medical experts, and use our considerable experience to guide our practices. We're prepared to respond quickly and adjust those health and safety practices as needed, to ensure children, families, and teachers are protected.

Designed for the well-being of staff, children, and families

- ▶ Frequent cleaning and disinfecting of high-touch surfaces, toys, and soft items
- ▶ Strict handwashing and sanitary policies to prevent the spread of illnesses
- ▶ Safety and security procedures designed to keep our families and staff protected
- ▶ Secure entrances to all centers
- ▶ Curriculum that emphasizes healthy practices for children

What to Bring

Enrollment Forms & Health Records

Prior to care, we are required to obtain additional information about your family. Many of the forms are available on our Back-up Care portal: backup.brighthorizons.com/account/login, and will need to be submitted along with your child's health and immunization records.

Meals & Snacks

Children in our care are provided a morning and afternoon snack consisting of a fruit, vegetable, protein or carbohydrate. Lunch items should be brought in from home, ready to serve, and stored in a bag with ice packs, as needed. *Please note when packing your child's lunch that our center is nut-safe.* In our infant classroom there is a fridge available for bottles; all bottles are to be prepared at home and will be warmed using a water bath method. Lunches brought into the center can be refrigerated, if necessary; however, we are not able to heat lunches in a microwave.

Items From Home

- ▶ Spare clothing
- ▶ Diapers and wipes (*as needed*)
- ▶ Sleep sack (infants) or blanket for rest time
- ▶ Favorite toy, book, etc. to ease the drop-off transition or for rest time
- ▶ Ready-to-eat lunch and bottles (*as needed*)

Center Location

How to find us: We are located in One International Place; once in the building find the security desk to check-in, your ID is required.

Find the elevator bank and take one to the 3rd floor. Once you're on the 3rd floor and the elevator doors open look for our sign directing you and follow the hallway all the way down.

Our Staff

Chelsea, Director

I love Bright Horizons because you have the privilege of witnessing children grow and develop and you have the opportunity to play a role in that development.

In education since: 2011

Megan, Assistant Director

I love Bright Horizons because I love enabling children to explore their creativity and the experiences that the world has to offer.

In education since: 2008

Our Teaching Staff

Our teachers are the heart of our program — people with the skills, passion, and dedication to make early education their career. They are experienced and dedicated professionals who meet strict certification requirements. Through *Discovery Driven Learning™*, our teaching and learning framework, these talented educators focus on children's unique interests while supporting today's big milestones and tomorrow's success. We support our educators with our own award-winning training, as well as learning opportunities to further advance their careers and skills through training, certificates, and college degrees.
