Meet Our Director

Jenny Misiara **Center Director**

I have a Bachelors degree in Sociology along with additional Early Childhood Education coursework. I have been with Bright Horizons since December 2000 and enjoy being able to touch so many lives in Back-Up Care.

Our staff is made up of experienced educators who specialize in back-up care, and who are trained in health, safety, and security procedures.

Curriculum

- Developed by early childhood education experts
- Built around extensive research, 21st-century technology, and developmentally- appropriate instruction
- Reinforces concepts of math, science, language, social awareness, environment, art, and health
- Fosters individual learning and development through active, hands-on discovery and exploration

Infant & Toddler Classroom

- Warm, safe, welcoming environment
- Spaces built for babies on the move

- Classrooms designed for toddlers
- Special age-appropriate play areas and learning centers

Preschool Classroom

- Independent, teacher-directed, and small-group activities that engage each child and adapt to each group
- 21st century technology in the classroom

School-Age Classroom

Designed to engage the interests of school-age children:

- Fun, enriching experiences geared towards the curious nature of school-aged children
- Opportunities for social interactions, team building and all around fun

CAMP Explorations
SCHOOL-AGE ADVENTURES

Movement Matters Zone

Developing skills and habits that will support lifelong fitness, safety, and physical health:

- Advance their balance and coordination
- Enjoy and seek out physical activity
- Strengthen and refine their small and large muscle skills
