## What to Expect

At Pfizer Kids NYC Back-up Center, your child will be safe, well cared for, loved, and supported by our skilled teachers. Our carefully crafted back-up care program offers age-appropriate programs to encourage curious, happy, and confident children at every age and stage.

Our center has been welcoming families since 2005 for their back-up, school vacation, and summer care needs. Throughout the year, we offer virtual family information sessions and workshops, themed program weeks, and many other events for children ages 6 weeks to 12 years.

If you would like a virtual visit prior to care, we would be more than happy to schedule one at your convenience; our center administrative team can be reached at 212-733-5040 or [pfizerkids.nyc@brighthorizons.com](mailto:pfizerkids.nyc@brighthorizons.com).

# What to Bring

## Enrollment Forms & Health Records

Prior to care, we are required to obtain additional information about your family. Many of the forms are available on our Back-up Care portal: [backup.brighthorizons.com/account/login](https://backup.brighthorizons.com/account/login), and will need to be submitted along with your child's health and immunization records.

## Meals & Snacks

Children in our care are provided a morning and afternoon snack consisting of a fruit, vegetable, protein or carbohydrate, and milk. Lunch items should be brought in from home, ready to serve, and stored in a bag with ice packs, as needed. We also offer an optional lunch program - contact us for more details. *Please note when packing your child's lunch that our center is nut-safe.* In our infant classroom there is a fridge available for bottles; bottles can be prepared at home or onsite by parents and will be warmed using a water bath method.

## Items From Home
